Priority Bills

- AB 75 (O'Donnell D) Education finance: school facilities: Kindergarten-Community Colleges Public Education Facilities Bond Act of 2022.**
Last Amend: 5/24/2021
Status: 6/18/2021-In committee: Hearing postponed by committee.
Location: 6/18/2021-S. ED.
Summary: The Leroy F. Greene School Facilities Act of 1998 provides for the adoption of rules, regulations, and procedures, under the administration of the Director of General Services, for the allocation of state funds by the State Allocation Board for the construction and modernization of public school facilities. This bill would add provisions to the act to require the Department of General Services to process all applications received under the act on and after an unspecified date and to present those applications to the State Allocation Board within 120 days of receipt. The bill would require applicants for bond funding to supply designated information to the State Department of Education. The bill would authorize school districts to receive a supplemental grant to expand an existing, or construct a new, gymnasium, multipurpose room, library, or school kitchen under specified conditions.

- SB 22 (Glazer D) Education finance: school facilities: Public Preschool, K-12, and College Health and Safety Bond Act of 2022.**
Last Amend: 5/20/2021
Status: 9/10/2021-Failed Deadline pursuant to Rule 61(a)(15). (Last location was ED. on 6/10/2021)(May be acted upon Jan 2022)
Location: 9/10/2021-A. 2 YEAR
Summary: Current law authorizes the governing board of any school district or community college district to order an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold to raise money for specified purposes. Current law generally requires, to pass a school bond measure, that either at least 2/3 of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds to pass the measure, or, if certain conditions are met, at least 55% of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds. Current law prohibits the total amount of bonds issued by a school district or community college district from exceeding 1.25% of the taxable property of the district, as provided. This bill would raise that limit to 2%.

- AB 1738 (Boerner Horvath D) Building standards: installation of electric vehicle charging stations: existing buildings.**
Last Amend: 4/7/2022
Status: 4/21/2022-From committee: Amend, and do pass as amended and re-refer to Com. on APPR. (Ayes 5. Noes 1.) (April 20).
Location: 4/21/2022-A. APPR.
Calendar: 4/25/2022 #6 ASSEMBLY SECOND READING FILE -- ASSEMBLY BILLS
Summary: Current law requires the Department of Housing and Community Development to propose to the California Building Standards Commission for consideration mandatory building standards for the installation of future electric vehicle charging infrastructure for parking spaces in multifamily dwellings, as specified. Current law requires the commission to adopt, approve, codify, and publish mandatory building standards for the installation of electric vehicle charging infrastructure for parking spaces in multifamily dwellings and nonresidential development. This bill would recast these

provisions to instead require mandatory building standards for the installation of electric vehicle charging stations with Level 2 or direct current fast charger electric vehicle supply equipment, as defined, to be researched, developed, and proposed for adoption (1) by the Department of Housing and Community Development for the installation in existing parking facilities serving multifamily dwellings, hotels, and motels, (2) by the Division of the State Architect for the installation in existing parking facilities serving school buildings, and (3) by the commission for the installation in parking facilities serving existing nonresidential buildings, as specified.

AB 1867 (Lee D) School facilities: modernization projects: bathrooms.

Last Amend: 4/19/2022

Status: 4/20/2022-Re-referred to Com. on APPR.

Location: 4/6/2022-A. APPR.

Summary: Would require the governing board of a school district, if the governing board of the school district intends to seek state funding pursuant to the Greene Act for a school modernization project for a school facility constructed before January 1, 2012, to include, as part of the modernization project submitted to the Division of the State Architect, faucet aerators and water-conserving plumbing fixtures in all bathrooms. The bill would provide that these provisions apply only to those projects submitted to the Division of the State Architect beginning 3 months after voters approve a statewide general obligation bond that provides funds for certain school facilities at a statewide election occurring after November 1, 2022.

AB 2232 (McCarty D) School facilities: heating, ventilation, and air conditioning systems.

Status: 4/20/2022-From committee: Do pass and re-refer to Com. on APPR. (Ayes 9. Noes 2.) (April 19). Re-referred to Com. on APPR.

Location: 4/20/2022-A. APPR.

Summary: Current law establishes the California State University, which is administered by the Board of Trustees of the California State University, and the University of California, under the administration of the Regents of the University of California, as segments of public postsecondary education in this state. This bill would require a covered school, defined as a school district, a county office of education, a charter school, a private school, the California Community Colleges, or the California State University, and would request the University of California, to ensure that facilities have heating, ventilation, and air conditioning (HVAC) systems that meet specified minimum ventilation rate requirements. The bill would require for a covered school, and request for the University of California, at least once every 5 years, the annual inspection required for HVAC systems to include, among other things, verification that the filters are installed correctly and replaced where needed, calculation of the required minimum outside air ventilation rates for each classroom, and review of control sequences to verify systems will maintain intended ventilation, temperature, and humidity conditions during school operation. This bill contains other related provisions and other existing laws.

Location: 4/21/2022-A. E.S. & T.M.

Calendar: 4/26/2022 1:30 p.m. - State Capitol, Room 444 ASSEMBLY ENVIRONMENTAL SAFETY AND TOXIC MATERIALS, QUIRK, Chair

Summary: Would require a new construction or modernization project submitted to the Division of the State Architect by a school district or the governing body of a charter school to include water bottle filling stations, as specified. The bill would require, for modernization projects, a minimum of one water bottle filling station for each school undergoing modernization, and for new construction projects, a minimum of one water bottle filling station per 350 people at each school being constructed. The bill would require water bottle filling stations to be placed in or near high traffic and common areas and to

meet specified requirements, including dispensing drinking water that meets primary drinking water standards and secondary drinking water standards, as defined. The bill would provide that these requirements only apply to new construction and modernization projects submitted to the Division of the State Architect 3 months after voters approve a statewide general obligation bond that provides funds for school facilities for kindergarten or any of grades 1 to 12, inclusive, at a statewide election occurring on or after November 1, 2022.

SB 1144 (Wiener D) Water efficiency and quality assessment reports: state buildings and public school buildings.

Last Amend: 4/18/2022

Status: 4/18/2022-From committee with author's amendments. Read second time and amended. Re-referred to Com. on ED.

Location: 4/5/2022-S. ED.

Calendar: 4/27/2022 9 a.m. - 1021 O Street, Room 2100 SENATE EDUCATION, LEYVA, Chair

Summary: The California Safe Drinking Water Act requires the State Water Resources Control Board (state board) to administer provisions relating to the regulation of drinking water to protect public health. In this regard, existing law prohibits a person from using any pipe, pipe or plumbing fitting or fixture, solder, or flux that is not lead free in the installation or repair of any public water system or any plumbing in a facility providing water for human consumption, except as provided. This bill would require, no later than January 1, 2024, except as provided, an operating agency, as defined, to complete a water efficiency and quality assessment report, as specified, for each covered building. The bill would define a "covered building" to mean a building owned and occupied, or leased and occupied, by a state agency, or a public school building, as described. If the report identifies noncompliant plumbing fixtures and appliances, or determines that a building contains lead pipe, or pipe of an unknown material that was installed prior to 1986, the bill would require the operating agency to replace those materials or take other specified action, as described.

SB 1255 (Portantino D) Single-use products waste reduction: Dishwasher Grant Program for Waste Reduction in K-12 Schools and Community Colleges.

Status: 4/6/2022-Set for hearing April 27.

Location: 3/28/2022-S. ED.

Calendar: 4/27/2022 9 a.m. - 1021 O Street, Room 2100 SENATE EDUCATION, LEYVA, Chair

Summary: Would establish the Dishwasher Grant Program for Waste Reduction in K-12 Schools and Community Colleges to be administered by the Department of Resources Recycling and Recovery to provide grants to school districts, charter schools, and community college districts for the purchase and installation of commercial dishwashers at the schoolsites and campuses, as specified. The bill would require the department to award grants of up to \$40,000 per kitchen of a school or campus of an applicant district, as specified. The bill would require the department to develop administrative guidelines for implementation of the program, as specified. The bill would require the department to develop materials and conduct outreach to those local educational agencies about the program, as provided. The bill would authorize the department to work with the State Department of Education, the Office of the Chancellor of the California Community Colleges, or other relevant state agencies for purposes of the program. The bill would make the implementation of these provisions contingent on an appropriation being made for its purposes by the Legislature in the annual Budget Act or another statute.

SB 1412 (Hertzberg D) Skilled and trained workforce requirements: prequalification.

Last Amend: 3/10/2022

Status: 3/24/2022-Referral to Com. on JUD. rescinded because of the limitations placed on committee hearings due to ongoing health and safety risks of the COVID-19 virus.

Location: 3/24/2022-S. JUD.

Summary: Current law establishes requirements that apply when a public entity is required by statute or regulation to obtain an enforceable commitment that a bidder, contractor, or other entity will use a

skilled and trained workforce to complete a contract or project. Current law also authorizes a public entity to require that a bidder, contractor, or other entity use a skilled and trained workforce to complete a contract or project, regardless of whether the public entity is required to do so by a statute or regulation. This bill would require a public entity, if contractors and subcontractors are required to use a skilled and trained workforce on a project, to use, or require the use of, a prescribed prequalification procedure to determine eligibility for bidding and contract awards.
