Priority Bills

- AB 75 (O'Donnell D) Education finance: school facilities: Kindergarten-Community Colleges Public Education Facilities Bond Act of 2022.**
Last Amend: 5/24/2021
Status: 6/13/2022-In committee: Set, first hearing. Hearing canceled at the request of author.
Location: 6/18/2021-S. ED.
Summary: The Leroy F. Greene School Facilities Act of 1998 provides for the adoption of rules, regulations, and procedures, under the administration of the Director of General Services, for the allocation of state funds by the State Allocation Board for the construction and modernization of public school facilities. This bill would add provisions to the act to require the Department of General Services to process all applications received under the act on and after an unspecified date and to present those applications to the State Allocation Board within 120 days of receipt. The bill would require applicants for bond funding to supply designated information to the State Department of Education. The bill would authorize school districts to receive a supplemental grant to expand an existing, or construct a new, gymnasium, multipurpose room, library, or school kitchen under specified conditions.

- AB 2232 (McCarty D) School facilities: heating, ventilation, and air conditioning systems.**
Last Amend: 6/28/2022
Status: 6/28/2022-Read second time and amended. Re-referred to Com. on APPR.
Location: 6/22/2022-S. APPR.
Calendar: 8/1/2022 10 a.m. - 1021 O Street, Room 2200 SENATE APPROPRIATIONS, PORTANTINO, Chair
Summary: Would require a covered school, defined as a school district, a county office of education, a charter school, a private school, the California Community Colleges, or the California State University, and would request the University of California, to ensure that facilities have heating, ventilation, and air conditioning (HVAC) systems that meet specified minimum ventilation rate requirements, unless the existing HVAC system is not capable of safely and efficiently providing the minimum ventilation rate, in which case the bill would require a covered school, and request the University of California, to ensure

that its HVAC system meets the minimum ventilation rates in effect at the time the building permit for installation of that HVAC system was issued. The bill would also require a covered school, and request the University of California, to install filtration that achieves specified minimum efficiency reporting values (MERV) levels, determined by the school to be feasible with the existing HVAC system, as provided. The bill would require, upon the next triennial update of the California Building Standards Code, the California Building Standards Commission and the Division of the State Architect to research, develop, and propose for adoption mandatory standards for carbon dioxide monitors in classrooms of a covered school and the University of California.

Status: 6/22/2022-From committee: Do pass and re-refer to Com. on APPR. (Ayes 7. Noes 0.) (June 22).
Re-referred to Com. on APPR.

Location: 6/22/2022-S. APPR.

Calendar: 8/1/2022 10 a.m. - 1021 O Street, Room
2200 SENATE APPROPRIATIONS, PORTANTINO, Chair

Summary: Would require a new construction or modernization project submitted to the Division of the State Architect by a school district or the governing body of a charter school to include water bottle filling stations, as specified. The bill would require, for modernization projects, a minimum of one water bottle filling station for each school undergoing modernization, and for new construction projects, a minimum of one water bottle filling station per 350 people at each school being constructed. The bill would require water bottle filling stations to be placed in or near high traffic and common areas and to meet specified requirements, including dispensing drinking water that meets primary drinking water standards and secondary drinking water standards, as defined. The bill would provide that these requirements only apply to new construction and modernization projects submitted to the Division of the State Architect 3 months after voters approve a statewide general obligation bond that provides funds for school facilities for kindergarten or any of grades 1 to 12, inclusive, at a statewide election occurring on or after November 1, 2022.

SB 22 (Glazer D) Education finance: school facilities: Public Preschool, K-12, and College Health and Safety Bond Act of 2022.

Last Amend: 5/20/2021

Status: 9/10/2021-Failed Deadline pursuant to Rule 61(a)(15). (Last location was ED. on
6/10/2021)(May be acted upon Jan 2022)

Location: 9/10/2021-A. 2 YEAR

Summary: Current law authorizes the governing board of any school district or community college district to order an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold to raise money for specified purposes. Current law generally requires, to pass a school bond measure, that either at least 2/3 of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds to pass the measure, or, if certain conditions are met, at least 55% of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds. Current law prohibits the total amount of bonds issued by a school district or community college district from exceeding 1.25% of the taxable property of the district, as provided. This bill would raise that limit to 2%.

SB 1144 (Wiener D) Water efficiency and quality assessment reports: state buildings and public school buildings.

Last Amend: 6/16/2022

Status: 6/29/2022-VOTE: Do pass as amended and be re-referred to the Committee on
[Appropriations] (PASS)

Location: 6/29/2022-A. APPR.

Calendar: 8/3/2022 9 a.m. - 1021 O Street, Room 1100 ASSEMBLY APPROPRIATIONS, HOLDEN, Chair

Summary: The California Safe Drinking Water Act requires the State Water Resources Control Board (state board) to administer provisions relating to the regulation of drinking water to protect public health. In this regard, existing law prohibits a person from using any pipe, pipe or plumbing fitting or fixture, solder, or flux that is not lead free in the installation or repair of any public water system or any plumbing in a facility providing water for human consumption, except as provided. This bill would require, no later than January 1, 2025, except as provided, an operating agency, as defined, to complete a water efficiency and quality assessment report, as specified, for each covered building. The bill would define a "covered building" to mean a building owned and occupied, or leased, maintained, and occupied, by a state agency, or a public school building, as described. If the report identifies noncompliant plumbing fixtures and noncompliant appliances, the bill would require the operating agency to replace those fixtures and appliances that fail to meet water efficiency standards, as specified, at the earliest practical time, subject to available funding. If the report determines that a building's potable water system is contaminated with lead, the bill would require the operating agency to fit all drinking and cooking water sources with particulate and lead filters as soon as possible, no later than one year from receipt of the report, subject to available funding, as specified. If the report determines that a building contains lead pipe, the bill would require the operating agency to replace the lead pipe at the earliest practical time, subject to available funding.

- SB 1255 (Portantino D) Single-use products waste reduction: Dishwasher Grant Program for Waste Reduction in K-12 Schools and Community Colleges.**
Last Amend: 5/10/2022
Status: 6/29/2022-From committee: Do pass and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 7. Noes 0.) (June 29). Re-referred to Com. on APPR.
Location: 6/29/2022-A. APPR.
Calendar: 8/3/2022 9 a.m. - 1021 O Street, Room 1100 ASSEMBLY APPROPRIATIONS, HOLDEN, Chair
Summary: Would establish the Dishwasher Grant Program for Waste Reduction in K-12 Schools and Community Colleges to be administered by the State Department of Education to provide grants to school districts, charter schools, and community college districts for the purchase and installation of commercial dishwashers at the schoolsites and campuses, as specified. The bill would require the department to award grants of up to \$40,000 per kitchen of a school or campus of an applicant district,

as specified. The bill would require the department to develop administrative guidelines for implementation of the program, as specified. The bill would require the department to develop materials and conduct outreach to those local educational agencies about the program, as provided. The bill would authorize, for purposes of the program, the department to consult with the Office of the Chancellor of the California Community Colleges and enter into interagency agreements with other state agencies. The bill would make the implementation of these provisions contingent on an appropriation being made for its purposes by the Legislature in the annual Budget Act or another statute.

SB 1412 (Hertzberg D) Skilled and trained workforce requirements: prequalification.

Last Amend: 3/10/2022

Status: 4/29/2022-Failed Deadline pursuant to Rule 61(b)(5). (Last location was JUD. on 3/24/2022)

Location: 4/29/2022-S. DEAD

Summary: Current law establishes requirements that apply when a public entity is required by statute or regulation to obtain an enforceable commitment that a bidder, contractor, or other entity will use a skilled and trained workforce to complete a contract or project. Current law also authorizes a public entity to require that a bidder, contractor, or other entity use a skilled and trained workforce to complete a contract or project, regardless of whether the public entity is required to do so by a statute or regulation. This bill would require a public entity, if contractors and subcontractors are required to use a skilled and trained workforce on a project, to use, or require the use of, a prescribed prequalification procedure to determine eligibility for bidding and contract awards.
