- AB 75 (O'Donnell D) Education finance: school facilities: Kindergarten-Community Colleges Public Education Facilities Bond Act of 2022.**  
**Last Amend:** 5/24/2021  
**Status:** 6/13/2022-In committee: Set, first hearing. Hearing canceled at the request of author.  
**Location:** 6/18/2021-S. ED.  
**Summary:** The Leroy F. Greene School Facilities Act of 1998 provides for the adoption of rules, regulations, and procedures, under the administration of the Director of General Services, for the allocation of state funds by the State Allocation Board for the construction and modernization of public school facilities. This bill would add provisions to the act to require the Department of General Services to process all applications received under the act on and after an unspecified date and to present those applications to the State Allocation Board within 120 days of receipt. The bill would require applicants for bond funding to supply designated information to the State Department of Education. The bill would authorize school districts to receive a supplemental grant to expand an existing, or construct a new, gymnasium, multipurpose room, library, or school kitchen under specified conditions.

**SB 22 (Glazer D) Education finance: school facilities: Public Preschool, K-12, and College Health and Safety Bond Act of 2022.**

**Last Amend:** 5/20/2021

**Status:** 9/10/2021-Failed Deadline pursuant to Rule 61(a)(15). (Last location was ED. on 6/10/2021)(May be acted upon Jan 2022)

**Location:** 9/10/2021-A. 2 YEAR

**Summary:** Current law authorizes the governing board of any school district or community college district to order an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold to raise money for specified purposes. Current law generally requires, to pass a school bond measure, that either at least 2/3 of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds to pass the measure, or, if certain conditions are met, at least 55% of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds. Current law prohibits the total amount of bonds issued by a school district or community college district from exceeding 1.25% of the taxable property of the district, as provided. This bill would raise that limit to 2%.

**SB 1144 (Wiener D) Water efficiency and quality assessment reports: state buildings and public school buildings.**

**Last Amend:** 8/15/2022

**Status:** 8/11/2022-From committee: Do pass as amended. (Ayes 12. Noes 0.) (August 11).

**Location:** 8/11/2022-A. SECOND READING

**Calendar:** 8/15/2022 #89 ASSEMBLY SECOND READING FILE -- SENATE BILLS

**Summary:** Existing law, the California Safe Drinking Water Act, requires the State Water Resources Control Board (state board) to administer provisions relating to the regulation of drinking water to protect public health. In this regard, existing law prohibits a person from using any pipe, pipe or plumbing fitting or fixture, solder, or flux that is not lead free in the installation or repair of any public water system or any plumbing in a facility providing water for human consumption, except as provided. This bill would require, no later than January 1, 2027, except as provided, an operating agency, as defined, to complete a water efficiency and quality assessment report, as specified, for each covered building. The bill would define a "covered building" to mean a building owned and occupied, or leased, maintained, and occupied, by a state agency, or a public school building, including a charter school building, as described. If the report identifies noncompliant plumbing fixtures and noncompliant appliances, the bill would require the operating agency to replace those fixtures and appliances that fail to meet water efficiency standards, as specified, at the earliest practical time, subject to dedicated funding for this purpose. The bill would also require various mitigation and remediation actions with respect to lead-contaminated potable water systems, lead pipes, and non-lead-free pipes, as determined in the report, dependent on funding expressly earmarked for those actions. toward toward This bill contains other related provisions and other existing laws.

**SB 1255 (Portantino D) Single-use products waste reduction: Dishwasher Grant Program for Waste Reduction in K-12 Schools and Community Colleges.**

**Last Amend:** 5/10/2022

**Status:** 8/11/2022-From committee: Do pass. (Ayes 16. Noes 0.) (August 11).

**Location:** 8/11/2022-A. SECOND READING

**Calendar:** 8/15/2022 #209 ASSEMBLY SECOND READING FILE -- SENATE BILLS

**Summary:** Would establish the Dishwasher Grant Program for Waste Reduction in K-12 Schools and Community Colleges to be administered by the State Department of Education to provide grants to

school districts, charter schools, and community college districts for the purchase and installation of commercial dishwashers at the schoolsites and campuses, as specified. The bill would require the department to award grants of up to \$40,000 per kitchen of a school or campus of an applicant district, as specified. The bill would require the department to develop administrative guidelines for implementation of the program, as specified. The bill would require the department to develop materials and conduct outreach to those local educational agencies about the program, as provided. The bill would authorize, for purposes of the program, the department to consult with the Office of the Chancellor of the California Community Colleges and enter into interagency agreements with other state agencies. The bill would make the implementation of these provisions contingent on an appropriation being made for its purposes by the Legislature in the annual Budget Act or another statute.

**SB 1412 (Hertzberg D) Skilled and trained workforce requirements: prequalification.**

**Last Amend:** 3/10/2022

**Status:** 4/29/2022-Failed Deadline pursuant to Rule 61(b)(5). (Last location was JUD. on 3/24/2022)

**Location:** 4/29/2022-S. DEAD

**Summary:** Current law establishes requirements that apply when a public entity is required by statute or regulation to obtain an enforceable commitment that a bidder, contractor, or other entity will use a skilled and trained workforce to complete a contract or project. Current law also authorizes a public entity to require that a bidder, contractor, or other entity use a skilled and trained workforce to complete a contract or project, regardless of whether the public entity is required to do so by a statute or regulation. This bill would require a public entity, if contractors and subcontractors are required to use a skilled and trained workforce on a project, to use, or require the use of, a prescribed prequalification procedure to determine eligibility for bidding and contract awards.
