- AB 75 (O'Donnell D) Education finance: school facilities: Kindergarten-Community Colleges Public Education Facilities Bond Act of 2022.**  
**Last Amend:** 5/24/2021  
**Status:** 8/31/2022-Failed Deadline pursuant to Rule 61(b)(18). (Last location was ED. on 6/18/2021)  
**Location:** 8/31/2022-S. DEAD  
**Summary:** The Leroy F. Greene School Facilities Act of 1998 provides for the adoption of rules, regulations, and procedures, under the administration of the Director of General Services, for the allocation of state funds by the State Allocation Board for the construction and modernization of public school facilities. This bill would add provisions to the act to require the Department of General Services to process all applications received under the act on and after an unspecified date and to present those applications to the State Allocation Board within 120 days of receipt. The bill would require applicants for bond funding to supply designated information to the State Department of Education. The bill would authorize school districts to receive a supplemental grant to expand an existing, or construct a new, gymnasium, multipurpose room, library, or school kitchen under specified conditions.

- AB 1867 (Lee D) School facilities: modernization projects: bathrooms.**  
**Last Amend:** 8/11/2022  
**Status:** 8/31/2022-Enrolled and presented to the Governor at 4 p.m.  
**Location:** 8/24/2022-A. ENROLLED  
**Summary:** Would require a school district, county office of education, or charter school that intends to seek state funding pursuant to the Leroy F. Greene School Facilities Act of 1998 (the Greene Act) for a school modernization project for a school facility constructed before January 1, 2012, to include, as part of the modernization project submitted to the Division of the State Architect, faucet aerators and water-conserving plumbing fixtures in all bathrooms. The bill would provide that these provisions apply only to those projects submitted to the Division of the State Architect beginning 3 months after voters approve a statewide general obligation bond that provides funds for certain school facilities at a statewide election occurring after November 1, 2022.  
**Position:** Neutral

- AB 2232 (McCarty D) School facilities: heating, ventilation, and air conditioning systems.**  
**Last Amend:** 6/28/2022  
**Status:** 9/13/2022-Enrolled and presented to the Governor at 4 p.m.  
**Location:** 9/13/2022-A. ENROLLED  
**Summary:** The Leroy F. Greene School Facilities Act of 1998 provides for the adoption of rules, regulations, and procedures, under the administration of the Director of General Services, for the allocation of state funds by the State Allocation Board for the construction and modernization of public school facilities. This bill would require a covered school, defined as a school district, a county office of education, a charter school, a private school, the California Community Colleges, or the California State University, and would request the University of California, to ensure that facilities have heating, ventilation, and air conditioning (HVAC) systems that meet specified minimum ventilation rate requirements, unless the existing HVAC system is not capable of safely and efficiently providing the minimum ventilation rate, in which case the bill would require a covered school, and request the University of California, to ensure that its HVAC system meets the minimum ventilation rates in effect at

the time the building permit for installation of that HVAC system was issued. The bill would also require a covered school, and request the University of California, to install filtration that achieves specified minimum efficiency reporting values (MERV) levels, determined by the school to be feasible with the existing HVAC system, as provided.

**Position:** Neutral

**Notes:** 5/13/22 - OPPOSE UNLESS AMENDED letter submitted to Assembly Appropriations Committee

**AB 2638 (Bloom D) School facilities: drinking water: water bottle filling stations.**

**Last Amend:** 4/21/2022

**Status:** 8/30/2022-Enrolled and presented to the Governor at 4 p.m.

**Location:** 8/30/2022-A. ENROLLED

**Summary:** Would require a new construction or modernization project submitted to the Division of the State Architect by a school district or the governing body of a charter school to include water bottle filling stations, as specified. The bill would require, for modernization projects, a minimum of one water bottle filling station for each school undergoing modernization, and for new construction projects, a minimum of one water bottle filling station per 350 people at each school being constructed. The bill would require water bottle filling stations to be placed in or near high traffic and common areas and to meet specified requirements, including dispensing drinking water that meets primary drinking water standards and secondary drinking water standards, as defined. The bill would provide that these requirements only apply to new construction and modernization projects submitted to the Division of the State Architect 3 months after voters approve a statewide general obligation bond that provides funds for school facilities for kindergarten or any of grades 1 to 12, inclusive, at a statewide election occurring on or after November 1, 2022.

**SB 22 (Glazer D) Education finance: school facilities: Public Preschool, K-12, and College Health and Safety Bond Act of 2022.**

**Last Amend:** 5/20/2021

**Status:** 8/31/2022-Failed Deadline pursuant to Rule 61(b)(18). (Last location was ED. on 6/10/2021)

**Location:** 8/31/2022-A. DEAD

**Summary:** Current law authorizes the governing board of any school district or community college district to order an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold to raise money for specified purposes. Current law generally requires, to pass a school bond measure, that either at least 2/3 of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds to pass the measure, or, if certain conditions are met, at least 55% of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds. Current law prohibits the total amount of bonds issued by a school district or community college district from exceeding 1.25% of the taxable property of the district, as provided. This bill would raise that limit to 2%.

**SB 1144 (Wiener D) Water efficiency and quality assessment reports: state buildings and public school buildings.**

**Last Amend:** 8/15/2022

**Status:** 8/30/2022-Enrolled and presented to the Governor at 3 p.m.

**Location:** 8/30/2022-S. ENROLLED

**Summary:** The California Safe Drinking Water Act requires the State Water Resources Control Board (state board) to administer provisions relating to the regulation of drinking water to protect public health. In this regard, current law prohibits a person from using any pipe, pipe or plumbing fitting or fixture, solder, or flux that is not lead free in the installation or repair of any public water system or any plumbing in a facility providing water for human consumption, except as provided. This bill would require, no later than January 1, 2027, except as provided, an operating agency, as defined, to complete a water efficiency and quality assessment report, as specified, for each covered building. The bill would define a "covered building" to mean a building owned and occupied, or leased, maintained, and occupied, by a state agency, or a public school building, including a charter school building, as

described. If the report identifies noncompliant plumbing fixtures and noncompliant appliances, the bill would require the operating agency to replace those fixtures and appliances that fail to meet water efficiency standards, as specified, at the earliest practical time, subject to dedicated funding for this purpose.

- AB 1738 (Boerner Horvath D) Building standards: installation of electric vehicle charging stations: existing buildings.**  
**Last Amend:** 8/11/2022  
**Status:** 8/31/2022-Enrolled and presented to the Governor at 4 p.m.  
**Location:** 8/25/2022-A. ENROLLED  
**Summary:** Current law requires the Department of Housing and Community Development to propose to the California Building Standards Commission for consideration mandatory building standards for the installation of future electric vehicle charging infrastructure for parking spaces in multifamily dwellings, as specified. Current law requires the commission to adopt, approve, codify, and publish mandatory building standards for the installation of electric vehicle charging infrastructure for parking spaces in multifamily dwellings and nonresidential development. This bill would, commencing with the next triennial edition of the California Building Standards Code, require the commission and the Department of Housing and Community Development to research and develop, and authorize the commission and department to propose for adoption, mandatory building standards for the installation of electric vehicle charging stations with low power level 2 or higher electric vehicle chargers in existing multifamily dwellings, hotels, motels, and nonresidential development during certain retrofits, additions, and alterations to existing parking facilities, as specified.  
**Position:** Watch
- SB 1255 (Portantino D) Single-use products waste reduction: Dishwasher Grant Program for Waste Reduction in K-12 Schools.**  
**Last Amend:** 8/18/2022  
**Status:** 9/9/2022-Enrolled and presented to the Governor at 3 p.m.  
**Location:** 9/9/2022-S. ENROLLED  
**Summary:** Would establish the Dishwasher Grant Program for Waste Reduction in K-12 Schools, to be administered by the State Department of Education, to provide grants to school districts and charter schools for the purchase and installation of commercial dishwashers in school kitchens, as specified. The bill would require the department to award grants of up to \$40,000 per kitchen of a school of an applicant school district or charter school, as specified. The bill would require the department to develop administrative guidelines for implementation of the program, as specified. The bill would require the department to develop materials and conduct outreach to those local educational agencies about the program, as provided. The bill would authorize, for purposes of the program, the department to enter into interagency agreements with other state agencies. The bill would make the implementation of these provisions contingent on an appropriation being made for its purposes by the Legislature in the annual Budget Act or another statute.  
**Position:** Watch
- SB 1412 (Hertzberg D) Skilled and trained workforce requirements: prequalification.**  
**Last Amend:** 3/10/2022  
**Status:** 4/29/2022-Failed Deadline pursuant to Rule 61(b)(5). (Last location was JUD. on 3/24/2022)  
**Location:** 4/29/2022-S. DEAD  
**Summary:** Current law establishes requirements that apply when a public entity is required by statute

or regulation to obtain an enforceable commitment that a bidder, contractor, or other entity will use a skilled and trained workforce to complete a contract or project. Current law also authorizes a public entity to require that a bidder, contractor, or other entity use a skilled and trained workforce to complete a contract or project, regardless of whether the public entity is required to do so by a statute or regulation. This bill would require a public entity, if contractors and subcontractors are required to use a skilled and trained workforce on a project, to use, or require the use of, a prescribed prequalification procedure to determine eligibility for bidding and contract awards.
