- AB 249 (Holden D) Water: schoolsites: lead testing: conservation.**  
**Last Amend:** 3/30/2023  
**Location:** 3/30/2023-A. APPR.  
**Calendar:** 5/3/2023 9 a.m. - 1021 O Street, Room 1100 ASSEMBLY APPROPRIATIONS, HOLDEN, CHRIS, Chair  
**Summary:** Would require a community water system that serves a schoolsite, as defined, to test for lead in the potable water system outlets of the schoolsite before January 1, 2027, except for potable water system outlets in buildings that were either constructed after January 1, 2010, or modernized after January 1, 2010, and all faucets and other end point devices used for providing potable water were replaced as part of the modernization. The bill would require the community water system to report its findings to the applicable school or local educational agency and to the state board. The bill would require the local educational agency or school, if the lead level exceeds a specified level at a schoolsite, to notify the parents and guardians of the pupils who attend the schoolsite, take immediate steps to make inoperable and shut down from use all fountains and faucets where the excess lead levels may exist, and work with the schoolsites under its jurisdiction to ensure that a potable source of drinking water is provided for pupils, as specified. The bill would require a community water system to prepare a sampling plan for each schoolsite where lead sampling is required under these provisions. The bill would require the state board to make the results of schoolsite lead sampling publicly available by posting the results on its internet website. By imposing additional duties on local agencies, this bill would impose a state-mandated local program.

- SB 28 (Glazer D) Education finance: school facilities: Public Preschool, K-12, and College Health and Safety Bond Act of 2024.**  
**Location:** 4/19/2023-S. APPR.  
**Calendar:** 5/1/2023 10 a.m. - 1021 O Street, Room 2200 SENATE APPROPRIATIONS, PORTANTINO, ANTHONY, Chair  
**Summary:** Current law authorizes the governing board of any school district or community college district to order an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold to raise money for specified purposes. Current law generally requires, to pass a school bond measure, that either at least 2/3 of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds to pass the measure, or, if certain conditions are met, at least 55% of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds. Current law prohibits the total amount of bonds issued by a school district or community college district from

exceeding 1.25% of the taxable property of the district, as provided. This bill would raise that limit to 2%.

**Position:** Neutral

**SB 499 (Menjivar D) Early childhood education facilities: school facilities: School Extreme Heat Action Plan Act of 2023.**

**Last Amend:** 3/27/2023

**Location:** 4/24/2023-S. APPR.

**Summary:** The California Child Day Care Facilities Act provides for the licensure and regulation of child daycare facilities, daycare centers, and family daycare homes by the State Department of Social Services. The act exempts from its provisions certain types of these facilities and certain programs, including, among others, a California state preschool program operated by a local educational agency under contract with the State Department of Education and that meets specified conditions and operates in a school building. Current law requires the governing board of any school district to, among other things, repair its school property. This bill, the School Extreme Heat Action Plan Act of 2023, would, among other things, require all schoolsites, as defined, at the earliest possible time or, at the latest, the next time resurfacing or replacement of outdoor surfaces is required, to replace low specific heat surfaces, such as cement, asphalt, brick, pebbles, sand, aggregates, rubber, and synthetic turf, with high specific heat surfaces, such as cool pavement technologies, natural grass, shrubs, trees, wood chips, or other natural systems that mitigate heat and pollution, as provided.

**AB 927 (Muratsuchi D) School buildings: construction plans.**

**Location:** 2/23/2023-A. ED.

**Summary:** Current law imposes specified duties on the State Allocation Board with respect to the allocation and expenditure of state funds for the construction of public school facilities. Current law

requires the board to obtain construction plans for school buildings appropriate for school districts in various climates and geographical conditions of the state and requires the plans to meet the needs of school districts that require school buildings of various sizes. Current law authorizes these plans to include designs that promote, among other things, the efficient use of energy and water. This bill would expressly authorize the above-described plans to also include designs that promote an efficient response to extreme heat and climate change.

**SB 394 (Gonzalez D) Master Plan for Healthy, Sustainable, and Climate-Resilient Schools.**

**Last Amend:** 3/13/2023

**Location:** 4/18/2023-S. ED.

**Calendar:** 4/26/2023 9 a.m. - 1021 O Street, Room 2200 SENATE EDUCATION, NEWMAN, JOSH, Chair

**Summary:** Would require the State Energy Resources Conservation and Development Commission to develop a Master Plan for Healthy, Sustainable, and Climate-Resilient Schools on or before November 1, 2024, if an appropriation is made for that purpose. The bill would require the commission to consult with specified state agencies and engage with a diverse group of stakeholders and experts regarding the development of the master plan, as provided. The bill would require the master plan to include specified elements, including, but not limited to, an inventory of the state's public elementary and secondary school buildings and grounds and a set of priorities, benchmarks, and milestones for health, resilience, and decarbonization of public school campuses and support facilities.

**Position:** Watch

- SB 443 (Gonzalez D) Drinking water: schools.**  
**Location:** 2/13/2023-S. RLS.  
**Summary:** Current law requires school districts and charter schools to allow pupils, teachers, and staff to bring and carry water bottles, except as provided. This bill would make nonsubstantive changes to that provision.  
**Position:** Watch
- SB 515 (Stern D) School facilities: shade structures.**  
**Location:** 4/13/2023-A. DESK  
**Summary:** The California Building Standards Code requires that specified buildings, structures, and facilities be accessible to, and useable by, persons with disabilities, including that when alterations or additions are made to existing buildings or facilities, an accessible path of travel to the specific area of alteration or addition is provided. This bill would exempt projects solely for the installation of free-standing, open-sided shade structures, that meet specified requirements, on a school district, county office of education, charter school, or community college campus from the above-described accessible path of travel requirements.  
**Position:** Watch
- SB 543 (Ashby D) Bonds: school districts and community college districts.**  
**Location:** 2/15/2023-S. RLS.  
**Summary:** Current law authorizes bonds of a school district or community college district to be offered for sale by the board of supervisors of the county, the county superintendent of schools who has jurisdiction over the district, or the community college district governing board in accordance with a prescribed procedure. Current law defines “bonds” for these purposes. This bill would make a nonsubstantive change to that definition.  
**Position:** Watch
- SB 574 (Wahab D) Public agencies: project labor agreements.**  
**Last Amend:** 3/22/2023  
**Location:** 3/29/2023-S. G.O.  
**Summary:** Would permit a state agency to undertake a major state construction project only if that project is governed by a project labor agreement and if that project labor agreement includes community benefit goals, as specified, and would define various terms for these purposes. The bill would authorize the Governor to waive this requirement if the state agency has attempted to comply with this requirement and the Governor makes a written determination that the application of this requirement would be impracticable. The bill would require the Department of General Services, commencing January 1, 2029, to report to the Legislature about the use of project labor agreements, the advancement of community benefit goals, and apprenticeships, as specified. The bill would also make a related statement of legislative findings and declarations.  
**Position:** Watch
- SB 760 (Newman D) School facilities: all-gender restrooms.**  
**Last Amend:** 4/18/2023  
**Location:** 4/12/2023-S. APPR.  
**Calendar:** 5/1/2023 10 a.m. - 1021 O Street, Room 2200 SENATE APPROPRIATIONS, PORTANTINO, ANTHONY, Chair  
**Summary:** Would require, on or before July 1, 2025, each school district, county office of education, and charter school, including charter schools operating in a school district facility, maintaining any combination of classes from kindergarten to grade 12, inclusive, to provide at least one all-gender restroom for voluntary pupil use at each of its schoolsites. The bill would require the all-gender restroom to meet certain requirements, including, among other things, that it has signage identifying the bathroom facility as being open to all genders and is unlocked, unobstructed, and easily accessible by any pupil. The bill would require the local educational agency to designate a staff member to serve as a point of contact for these purposes and to post a notice regarding these requirements in a prominent and conspicuous location outside at least one all-gender restroom. The bill would require these requirements to be subject to compliance review, as specified. By imposing additional

requirements on local educational agencies, the bill would impose a state-mandated local program. The bill would authorize a local educational agency to use an existing restroom to satisfy these requirements, as provided. The bill would require the State Department of Education to post on its internet website guidance for implementation of these provisions.
